#### § 800.76 Prohibited services; restricted services.

(a) *Prohibited services.* No agency shall perform any inspection function or provide any inspection service on the basis of unofficial standards, procedures, factors, or criteria if the agency is designated or authorized to perform the service or provide the service on an official basis under the Act. No agency shall perform official and unofficial weighing on the same mode of conveyance at the same facility.

(b) *Restricted services.* (1) *Not standardized grain.* When an inspection or weighing service is requested on a sample or a lot of grain which does not meet the requirements for grain as set forth in the Official U.S. Standards for Grain, a certificate showing the words "Not Standardized Grain" shall be issued according to the instructions.

(2) *Grain screening.* The inspection or weighing of grain screenings may be

obtained from an agency or field office according to the instructions.

#### INSPECTION METHODS AND PROCEDURES

#### § 800.80 Methods and order of performing official inspection services.

(a) *Methods.* (1) *General.* All official inspection services shall be performed in accordance with methods and procedures prescribed in the regulations and the instructions.

(2) *Lot inspection services.* A lot inspection service shall be based on a representative sampling and examination of the grain in the entire lot, except as provided in § 800.85, and an accurate analysis of the grain in the sample.

(3) *Stowage examination service.* A stowage examination service shall be based on a thorough and accurate examination of the carrier or container into which grain will be loaded.

(4) *Submitted sample inspection service.* A submitted sample inspection service shall be based on a submitted sample of sufficient size to enable official personnel to perform a complete analysis for grade. If a complete analysis for grade cannot be performed because of an inadequate sample size or other conditions, the request for service shall be dismissed or a factor only inspection may be performed upon request.

(5) *Reinspection and appeal inspection service.* A reinspection, appeal inspection, or Board appeal inspection service shall be based on an independent review of official grade information, official factor information, or other information consistent with the scope of the original inspection.

(b) *Order of service.* Official inspection services shall be performed, to the extent practicable, in the order in which they are received. Priority shall be given to inspections required for export grain. Priority may be given to other kinds of inspection services under the Act with the specific approval of the Service.

(c) *Recording receipt of documents.* Each document submitted by or on behalf of an applicant for inspection services shall be promptly stamped or similarly marked by official personnel to show the date of receipt.

(d) *Conflicts of interest.* No official personnel shall perform or participate in performing an official inspection service on grain or on a carrier or container in which they have a direct or indirect financial interest.

[50 FR 49669, Dec. 4, 1985]

**§ 800.81 Sample requirements; general.**

(a) *Samples for official sample-lot inspection service—(1) Original official sample-lot inspection service.* For original sample-lot inspection purposes, an official sample shall be obtained by official personnel; representative of the grain in the lot; and protected from manipulation, substitution, and improper or careless handling.

(2) *Official sample-lot reinspection and appeal inspection service.* For an official sample-lot reinspection service or an official appeal sample-lot inspection service, the sample(s) on which the reinspection or appeal is determined shall (i) be obtained by official personnel and (ii) otherwise meet the requirements of paragraph (a)(1) of this section. If the reinspection or appeal inspection is determined on the basis of official file sample(s), the samples shall meet the requirements of § 800.82(d).

(3) *New sample.* Upon request and if practicable, a new sample shall be obtained and examined as a part of a reinspection or appeal inspection. The provision for a new sample shall not apply if obtaining the new sample involves a change in method of sampling.

(b) *Representative sample.* A sample shall not be considered representative unless it (1) has been obtained by official personnel, (2) is of the size prescribed in the instructions, and (3) has been obtained, handled, and submitted in accordance with the instructions. A sample which fails to meet the requirements of this paragraph may, upon request of the applicant, be inspected as a submitted sample.

(c) *Protecting samples.* Official personnel shall protect official samples, warehouseman's samples, and submitted samples from manipulation,

substitution, or improper and careless handling which may deprive the samples of their representativeness or which may change the physical or chemical properties of the grain, as appropriate, from the time of sampling or receipt until the inspection services are completed and the file samples have been discarded.

(d) *Restriction on sampling.* Official personnel shall not perform an original inspection or a reinspection service on an official sample or a warehouseman's sample unless the grain from which the sample was obtained was located within the area of responsibility assigned to the agency or field office at the time of sampling, except as provided for in § 800.117, or on a case-by-case basis as determined by the Administrator.

(e) *Disposition of samples.* (1) *Excess grain.* Any grain in excess of the quantity specified in the instructions for the requested service, the file samples, and samples requested by interested persons shall be returned to the lot from which the grain was obtained or to the owner of the lot or the owner's order.

(2) *Inspection samples.* Inspection samples, after they have served their intended purpose, shall be disposed of as follows:

(i) Samples which contain toxic substances or materials shall be kept out of food and feed channels, and

(ii) Official personnel shall dispose of samples obtained or submitted to them according to procedures established by the Service. Complete and accurate records of disposition shall be maintained.

**§ 800.82 Sampling provisions by level of service.**

(a) *Original inspection service.* (1) *Official sample-lot inspection service.* Each original inspection service shall be performed on the basis of one or more official samples obtained by official personnel from grain in the lot and forwarded to the appropriate agency or field office.

(2) *Warehouseman's sample-lot inspection.* Each original warehouseman's
